Subject: Fw: Redistribution of wealth

>> Today on my way to lunch I passed a homeless guy with a sign the read

>> 'Vote Obama, I need the money.' I laughed.

>>

>> Once in the restaurant my server had on a 'Obama 08' tie, again I

>> laughed--just imagine the coincidence.

>>

>> When the bill came I decided not to tip the server and explained to him

>> that I was exploring the Obama redistribution of wealth concept. He stood

>> there in disbelief while I told him that I was going to redistribute his

>> tip to someone who I deemed more in need--the homeless guy outside. The

>> server angrily stormed from my sight.

>>

>> I went outside, gave the homeless guy \$10 and told him to thank the

>> server inside as I've decided he could use the money more. The homeless

>> guy was grateful.

>>

>> At the end of my rather unscientific redistribution experiment I realized

>> the homeless guy was grateful for the money he did not earn, but the

>> waiter was pretty angry that I gave away the money he did earn even

>> though the actual recipient deserved money more.

>>

>> I guess redistribution of wealth is an easier thing to swallow in concept

>> than in practical application.

>>

>>

>>

>> OR IS IT..... THE REDISTRIBUTION OF SOMEONE ELSE'S WEALTH IS A
GREAT

>> IDEA ??????
